Okay, this week is mostly actions we mentioned yesterday. Phone calls with the states on 111(d). Shaun attending the WRAP/WESTAR meeting with me on Thursday to talk about R8 air partnering priorities with the states. We are still trying to get new deadlines for SIP actions including WY RH (litigants won't budge past 1/10/14, so I will be submitting a request for use or lose extension for a number of Air Program folks to you to send to Howard). I will also send you the WY RH paper for Bob P. Sounds like he is coming next week?
